EXECUTIVE SUMMARY

The Vietnamese-American Association of Raleigh is a non-profit organization representing the Vietnamese-American community in Raleigh, NC and its vicinities. Established in 1977, the organization has seen the area's Vietnamese-American population grow to almost 10,000 according to Census's 2013 estimate. Each year, your support has helped us to hold events and we thank you for the continued support.

Our annual Têt (New Year) Festival drew over 3000 attendees for the daytime festival and evening dance concert combined. In addition, we have hundreds attending our other activities. We are asking for support by being a sponsor or donating to our organization.

Your sponsorship and/or donation will help us:

- Facilitate a larger venue for the event(s) to better accommodate the anticipated growth of the Vietnamese-American population in the area
- Enrich the programming of Têt Festival and the cultural environment for future generations
- Support traditional and fun activities serving the community throughout the year. These include, but not limited to, Trung Thu (Mid-Autumn) Festival, Heritage Day, “April 30 - Day of Remembrance”, Community Picnic, student scholarship(s), and other students, senior and children-related events.

The sponsorship and donations fund events for the greater good of the Vietnamese-American organization, community events and preserving the Vietnamese tradition in our area and vicinities. The benefits of your sponsorships and/or donations to the Vietnamese-American Association of Raleigh include

- Promote your business or brand at our events
- Connect to the community via our extensive email list
- Display your logo on our website (VietRaleigh.org)
- Increase visibility via Facebook community at [VietRaleigh](#) link
- Provide a continuity of tradition for our future generation
